6. Road Work

http://www.modot.org/central/Roadwork/Roadwork_Central_District.htm#Boone

Daylight/Overnight Hours

Route 124 between Route B and Route CC – Resurfacing and shoulder improvements are nearing completion. Striping operations will take place the week of July 16.

Route B between Business Loop 70 and Brown Station Road – Roadway resurfacing and sidewalk improvements are nearing completion. Pavement repair between Route 63 and Brown Station Road will take place the week of July 16. Occasional lane closures can be expected through the work area. The project is scheduled to be completed in late September.

Overnight Hours

Interstate 70 between mile marker 126.4 and 127.4 – Pavement repair in the westbound lane will take place on Sunday, July 15. One westbound lane will be open through the work area.

Route 40 between Route UU and Route 5 in Howard County – Resurfacing and shoulder improvements continue.

* Contractors continue paving the three-foot shoulders along the roadway. Roadway resurfacing will begin at the Route 5 intersection the week of July 16. One lane will be open, and a pilot car will guide traffic through the work area. The project is scheduled to be completed in October.

Daylight Hours

Route 63 between Route 22 and Route EE in Randolph County – Roadway resurfacing in the northbound lanes will begin on Monday, July 16. One northbound lane will be open through the work area. The project is scheduled for completion in November.

Route J between Route 40 and Route 124 – Roadway paving will take place Monday, July 16 through Thursday, July 19. One lane will be open, and crews will flag traffic through the work area.

Route V between Thomas Hill Road and Winn Road – Culvert pipe replacement will take place on Monday, July 16. ***The road will be closed between 8 p.m. and 6 a.m.*** Motorists are advised to seek an alternate route.
